

West Metro Chamber offering discounted tickets to Taste of the West for Job Seekers

Lakewood, CO – West Metro Chamber is hosting the Taste of the West on Thursday, June 9, 2022 from 5:00 – 8:00 pm at the Foothills Fieldhouse, in partnership with Foothills Park & Recreation District. Taste of the West is the annual food and drink festival that features local restaurants, breweries, distilleries, and other vendors across the west metro area. In 2021, this event hosted over 800 attendees for unlimited samples of food and drink, live music, prize drawings, and a popular vote for eight award categories, including “Best of the West”.

This year, West Metro Chamber is adding a job fair element to Taste of the West in partnership with the Jefferson County Business & Workforce Center. If you are a job seeker looking for either full-time or part-time employment, you can submit your resume to receive a discounted general admission ticket price for \$15 to visit the vendors, learn about who is hiring and for what positions, all while enjoying the taste festival.

“As the regional chamber of commerce serving Jefferson County and the surrounding area, we are focused on community betterment through business development. The best way to be a resource to our community is to help these businesses find the talented workforce that they deserve,” says Madison MacDonald, Vice President of the West Metro Chamber.

Job seekers can submit their resume and contact information by visiting the chamber website and will be contacted by a chamber staff member on how to redeem the discounted ticket. All others are welcome to join in the fun at Taste of the West with either general admission or VIP tickets.

Thank you to the following sponsors: Credit Union of Denver, Best Option Restoration – Thornton, Craig Baldwin State Farm Insurance Agency, Hurl & Hurl Insurance, Westerra Credit Union, SpotOn, and Bin There Dump That – Denver West.

The West Metro Chamber provides business connections and resources for the community. They act as a catalyst for business owners and collaborate with other community organizations and chambers to create a stronger community.
