

Becoming a Member of the West Metro Chamber

RESOURCE

In addition to being your primary resource for professional development for your business/organization, we are your hub of information as we monitor public policy issues so you can focus on your business.

IN ACTION:

We are focused on community betterment through business development by being your go-to resource for all Jeffco business information through our email newsletters and providing programming like Young Professionals and Women in Business with topics to grow your business and develop your team.

CONNECT

All membership levels grant you access to all programs and events where we promise to provide connections to business resources, people, and your community.

IN ACTION:

We have over 100 networking and educational programs to get involved in and connected with fellow members. Our network spreads far and wide as we serve as your only regional chamber of commerce in Jeffco!

VISIBILITY

Getting your customers' attention is the biggest challenge your business will face but by aligning your efforts with the West Metro Chamber, your business gains exposure in Jeffco.

IN ACTION:

Our website reaches over 11,000 views per year with over thousands of followers across social media. Every member is on our online directory with opportunities to post events, deals and more!
