

West Metro CHAMBER

BUSINESS · COMMUNITY · LEADERSHIP

West Metro Chamber Members:

Please join us in welcoming Kristin Kim as our Vice President! Kristin joined our WMC team October 5, 2022. She comes to us with a well-rounded business background having worked with students, entrepreneurs, government and nonprofits, as well as large international corporations. She holds over 20 years of experience with a dedicated focus on education, economic development, and building community. Prior to joining the West Metro Chamber, she served as Executive Director for Recycle Colorado and Chief Operating Officer for Independent Electrical Contractors - Rocky Mountain.

"I am excited to lead our business development programs, educational offerings, and networking opportunities to a new pinnacle now that West Metro Chamber is a proud division of JeffCo EDC. My team is a powerhouse! With Jansen's leadership, Erin's dedication to membership engagement, and Melissa's event prowess, we are primed to rapidly expand our voice, visibility, and impact. Thank you all for the warm welcome." – Kristin Kim, VP

The Vice President of our chamber truly is that face and visionary for us, working with our board and volunteers to bring our mission into action. "We had a number of great candidates interested in becoming our next VP...but Kristin separated herself from them almost immediately. Her history and work experience is incredibly aligned with our goals. Can't wait to see what is in store for the West Metro Chamber!" – Josh Caucutt, West Metro Chamber of Commerce Board Chair

As always, we are here if you have any questions or needs. We appreciate your support and engagement as we continue to be the resource hub for all our Jefferson County businesses.

Sincerely,
Jansen Tidmore, President/CEO
